About Yasir Shaikh

My vision is to provide a cyber space free from fear of disturbances and disruptions by the unscrupulous. A digital world devoid of the flaws of porous tech security. I want to provide services that make the cyber space a virtual utopia – a place where knowledge is nestled in a package that is beautiful yet strong, and where that knowledge is completely safe from prying eyes and devious hackers.

3000+

STUDENTS TRAINED

With over 4 years of experience in the field of training, Yasir Shaikh was continuously engaged in conducting training for corporates and educational institutions.

10+

CONFERENCES INVITED AS
SPEAKER
